## BIOGRAPHY

I'm a 25 year old graphic designer, photographer, and video editor. All round digital creative, jack of all trades, master of some. I've worked with clients such as O2, Mumford and Sons, Adidas, Jack Daniels and Space Ibiza. My core interests fall into creative expression, social entrepreneurship, and travel. I'm passionate about funneling my creative skill set into progressive people and projects so they can thrive both on and offline.
